Welcome to number 2 Alders Road, a HANDSOME THREE DOUBLE BEDROOM DETACHED HOME set back from Buxton Road and standing in generous grounds in a very popular area close to Lyme Park.

The property has been re-plastered and is tastefully presented throughout.

There is scope, subject to the necessary work and permissions, to enhance this home should you so desire.

Please, come in. The entrance porch is a useful area, particularly after a wander around Lyme Park as you can part with your muddy shoes before entering the house.

Step into the hallway, warm and welcoming and decorated in a neutral tone. There is a handy cupboard under the stairs. Step into the room to your right, the living room light and airy by way of two large leaded windows. You might want to stay here for a while; it's a cosy room helped by the woodburner set into a fire place with a rustic timber mantle. Imagine relaxed nights encased by it's warmth.

The living room, adjacent, is a good sized reception room. Whether it's home to the family piano, the media centre full of the latest gadgets or perhaps the go to reading room, it's a versatile good sized space. The breakfast kitchen features to bay windows which retain a constant connection with the lovely garden. There's room enough for a dining table here so you can congregate with guests and family as the cooking gets underway.

The rear hall is accessed from the kitchen and gives way to a utility area and a separate downstairs wc. You can walk out to the garden from the rear hall too.

Once you've taken in the ground floor, head back to the hall and ascend the turned stairs to the first floor landing. Two windows (one a marvelous stained glass affair) invite natural light. You may want to see the main bedroom first, an excellent size room which features an en-suite shower room evoking a sense of luxury and refinement.

There are two more double bedrooms to explore, both of which look out of the lawn garden and driveway. Last, but not least is the stylish, modern family bathroom mostly tiled with a striking patterned backdrop shower wall.

Outside, there is a long driveway accessed from Buxton Road which provides parking for many vehicles. In addition, there is a sizeable lawn with mature hedging and stocked borders. A paved path leads from the drive around the property to the front door (also accessible from the garden gate on Alders Road). The driveway leads to the garage'

There is also access to the rear where there is a good size lawn garden with mature shrubs and hedging, a summer house and a shed.

This home is situated conveniently for Disley village and its train station (within 1.5 miles) along with Lyme Park too. Excite your senses (and maybe those of your four legged friend) here with walks in the green, open space afforded by this National Trust Park.
