Situated on a corner position with a driveway and garage in this, discover a tastefully appointed good sized three bedroom home in a well regarded location which serves up plenty of amenities such as transport links (including nearby Woodmoor Train Station), schools and shops. Stepping Hill Hospital is about half a mile away.

So, welcome to number 65. The corner plot is wrapped by smart, contemporary fencing and features a double drive and a garage to the rear.

Walk up the front path and step in the welcoming entrance hall. A staircase leads to the first floor. The hall is open ahead to the kitchen/ dining space.

Sociably open, yet zoned, a breakfast bar blends the kitchen and dining area with the decor and timber accents providing a convenient and sophisticated, stylish space for meals and socialising. In the better weather, throw open the door to the side patio and let proceedings spill out in to the garden; a paved terrace to the side ripe for the occasion.

Pop back to the hall and you will find a door which opens to the living room to the front. Enjoy the cocooning comfort of this room when you want a change from the larger space afforded by the kitchen/ dining room.

When slumber calls, head upstairs where, off the landing you will find three bedrooms. The bathroom/ w.c. offers a place to rest and restore.

The corner plot affords this home with a garden to the side and rear too. To the side. The paved patio sits beneath a pergola offering a suntrap in which to relax with a thirst-quenching drink in the evening or a brew and a good book in the day! Fill the patio with tables and chairs and dine alfresco in the summer months! This area extends to the lawn garden to the rear with flower bed borders. A gate from the rear garden opens to the driveway.

To the front of the property there is a garden with decorative gravel.
