Number 74, a well presented THREE BEDROOM SEMI DETACHED HOME situated in an elevated and imposing position.

The property is about one mile from Hazel Grove Train Station and convenient for commuter links by road too. If you're the outdoorsy type, Torkington Park is within a mile.

You will benefit from a personal visit to sense the presentation and layout of this home, but here is a taster in the meantime.

Step up to the front door. Cross the threshold and into the entrance hall. A staircase leads ahead to the first floor.

First step into the room to your left, the good sized living room. Ahead from the hall, the kitchen extends the width of the home to rear and transitions seamlessly from chef's zone via double patio doors into the spacious sun room.

You will be wowed by the the sun room which usefully enhances the dynamic of kitchen by creating a living dining area with room for a settee and dining table and showers the area with natural illumination. Whether it's a summer room, entertaining space or dining area, the sun room blurs the lines between stylish inside space and the garden beyond.

Head back to the hall and head upstairs to the landing. Here you can access the the three bedrooms and bathroom/w.c.

Outside, steps lead to the elevated garden. There is a driveway which extends to the side of the property. A gate opens to the rear garden.

To the rear there is a large patio area; company can spill out to hear from, the sun room when the weather allows. Steps lead from the patio area to the lawn.
