Prepare to be impressed by the location, space and style here at number 40, a garden fronted sizeable TWO DOUBLE BEDROOM END TERRACE HOME. We understand that properties on Winifred Road were likely originally built for junior clerks, skilled workers and those of similar incomes around the turn of the 20th century.

This home, less than half a mile to Davenport Train Station and very close to Davenport Village, offers tastefully appointed, well proportioned accommodation. Cliched, but true, number 40 is deceptively spacious and ought to be viewed.

From the front garden path, step over the threshold into a handy entrance vestibule. You can take your coat and shoes off here. Enter the door into the good sized living room, its large window creating a light and airy space, decorated neutrally and presented superbly.

From here, enter the dining room where you will find an elegantly decorated cosy room. There is access to the cellar, the stairs to the first floor and the kitchen.

The kitchen, stylishly presented with contrasting wall and base units, is a good size and provides access to the rear garden.

The cellar runs from the front to the rear of the property.

Head upstairs to the landing and be wowed, firstly by the excellent size front bedroom decorated in a mellow olive tone complemented by a stripped and painted wood floor.

Also off the landing you will find a second double bedroom, a small versatile space (which could be used for storage or as a study or place to home a dressing table) and last but not least a white modern spacious bathroom/w.c.

Outside, there is a small garden frontage. To the rear there is a paved rear garden which sits north westerly where the sun sets in the late afternoon/ evening.

So, a home which we are confident calls for a viewing as there is much to love. We look forward to hearing from you.
